

1 1/2" Fat Strap Deluxe Ratchet

The Strong, Safe choice for transporting your motorcycle!
Fat Strap Deluxe Straps offer a convenient setup for
securing your bike when you can't ride it yourself.

FEATURES:

SECURE LATCH HOOKS

- Won't come unhooked over rough terrain - prevents costly damage

1,200 WORKING LOAD LIMIT

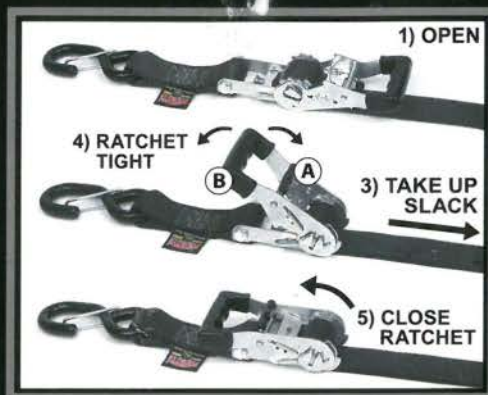

- 3,600 lb Breaking Strength
- Double Security Stitching

SHEEPSKIN SOFT-TYE

- Soft-tye Sewn-in + Genuine Sheepskin protects paint & chrome

HEAVY DUTY DELUXE RATCHET

- Rubberized Handle & Release Lever
- Will Not Slip

USAGE INSTRUCTIONS

- 1) Pull up on middle quick-release lever (A) and hold while fully opening ratchet handle (B) to flat position. Strap should become loose and ratchet spindle will rotate.
- 2) Attach ratchet-end hook to anchor point and fasten sheepskin soft-tye around desired location on the bike.
- 3) Pull excess webbing to take up slack in assembly.
- 4) Pull up on the release (A) and work the ratchet handle (B) back and forth to tighten the strap.
- 5) Push handle (B) down to close the ratchet.

CAUTION!!! TO AVOID DAMAGING ANY OBJECT YOU ARE STRAPPING. DO NOT OVER TIGHTEN.
